

# Lunch Program

## Procedures

### Lunch Program

Help us prepare bagged lunches for families staying at Penn State Health Children's Hospital with their children!

We're looking for volunteer groups to purchase supplies and prepare lunches at the Ronald McDonald House to be delivered by our staff to families at the hospital.

## Things to Know

- Find a Thursday that works with your volunteer group's schedule. Plan to be assembling for 30 minutes to an hour. Bagged lunches will be handed out on Fridays.
- Pre-order ingredients to create 50 bagged lunches for families. Costs average around \$150. We suggest purchasing supplies from Peapod by Giant to be delivered to the Ronald McDonald House (745 W Governor Road, Hershey, PA 17033) the day before you are assembling.
- Lunches should include a sandwich, chips or a snack, a cookie or snack cake, a mayonnaise packet and an apple.

# Baking Program

## Procedures

### Baking Program

For occasional volunteering, we offer a baking program here at the House every day from 1:00 - 3:00 p.m. We have a limit of eight people in the kitchen at one time.

(Children age 12-17 years may participate in this program, but must be accompanied by a responsible adult age 18 or older).

### Things to Know

- Our families love muffins, cookies, brownies, whoopie pies, cookie bars and more! Items easily wrapped and stored/frozen work best. We ask that you avoid treats that will be messy or get ruined when wrapped (no full size cakes or cupcakes with icing, please!). Muffins are our most needed item as we use them on our Hospitality Cart.
- Groups have access to two ovens for baking. We supply all baking equipment needed including mixers, pans, cupcake tins, etc. Please bring your own ingredients like box mixes, eggs, oil and milk. We ask that groups wash and put away all of the equipment, pans, etc. used while baking.
- When you are finished baking, please put your items on our cooling racks. Once cooled, our House Volunteers will wrap and label the baked goods for families here at the House and at the Ronald McDonald Family Room ® in Penn State Children's Hospital.
- Our families love these special "feel good" treats and truly appreciate those who take the time to bake for this program.

*Thank you for giving your time and making a positive difference in our families' lives.*
