Our Wish List

SEPTEMBER 2020

This Wish List reflects our current needs.

If you do not see an item that you want to donate listed below, please call 717-533-4001 before making the trip to drop it off!

The Ronald McDonald House® in Hershey keeps families together by providing temporary housing to out-of-town families of seriously ill children who are being treated at Penn State Health Children's Hospital.

Many families travel quite a distance to seek treatment for their child, and for children facing a serious medical crisis, nothing seems scarier than not having your family close by for love and support.

During this pandemic, please consider making a monetary donation to our "Feed Our Families" campaign. Call 717-533-4001 for more information.
